

AMBUSH TV

April 25th, 2024
Oscar A. Wilson IV

Logline: A dexterous young woman's pursuit of happiness leads her into the exploitative world of daytime television.

The "Jimmy Jones" show is a rising staple in Daytime Television. Producers work overtime to ensure they can find the most unique and original stories they can find. After experiencing subtle rejection from her crush and childhood friend Joseph, Ivy writes into the "Jimmy Jones" show, looking for a chance at redemption.
